

Great gift ideas for everyone on your list

Three-part series highlights one item from every retail store in town to make shopping easy

No matter who is on your Christmas list this year, you can find the perfect gift at a store here in town.

Today we present the second in a three-part series on holiday gift ideas from stores in downtown Hinsdale,

Grant Square and Gateway Square.

The annual Christmas Walk, which will be held Dec. 2 this year, is a great time to check out these offerings. Be sure to schedule a shopping trip on a Saturday in December to take advantage of special activities for kids in Burlington Park.

These ideas are for specific items. Other styles, sizes, colors, scents and patterns are available in most cases. Many of the merchants listed also carry gift certificates.

For more information on stores and their locations and an interactive map, visit distinctlyhinsdale.com.

We hope you will take advantage of one of these good reasons to shop in Hinsdale. Don't forget to tell them The Hinsdalean sent you.
